

## QEEG Clinical Report

BrainLens V0.4

### Report Description

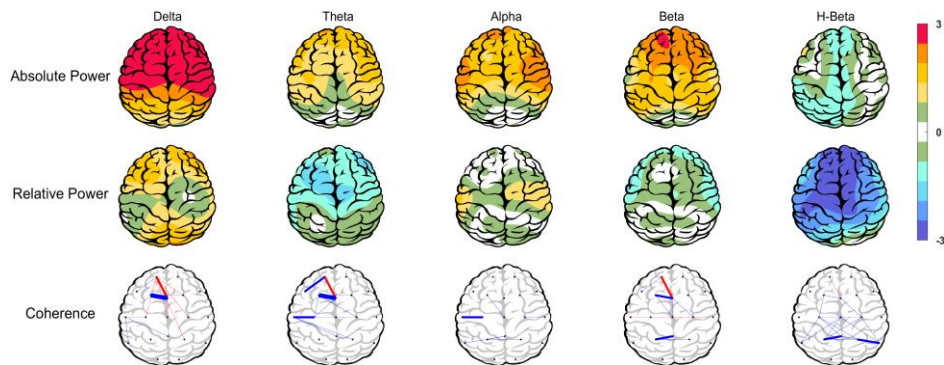

### Personal & Clinical Data

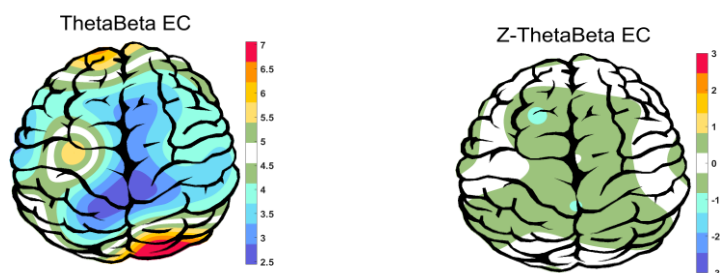

|                     |                     |                    |             |
|---------------------|---------------------|--------------------|-------------|
| Name                | Farham Majidi       | Date of Recording  | 12-Feb-2025 |
| Date of Birth - Age | 22-Nov-2012 - 12.22 | Gender             | Male        |
| Handedness(R/L)     | Right               | Source of Referral | Dr.parsa    |
| Initial Diagnosis   | ADHD-Anxiety        |                    |             |
| Current Medication  | -                   |                    |             |

Dr.parsa

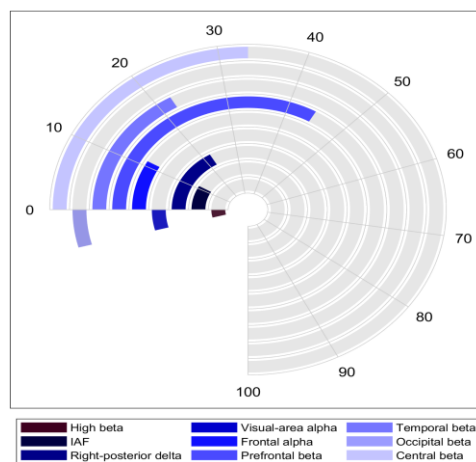

## Z Score Summary Information (EC)

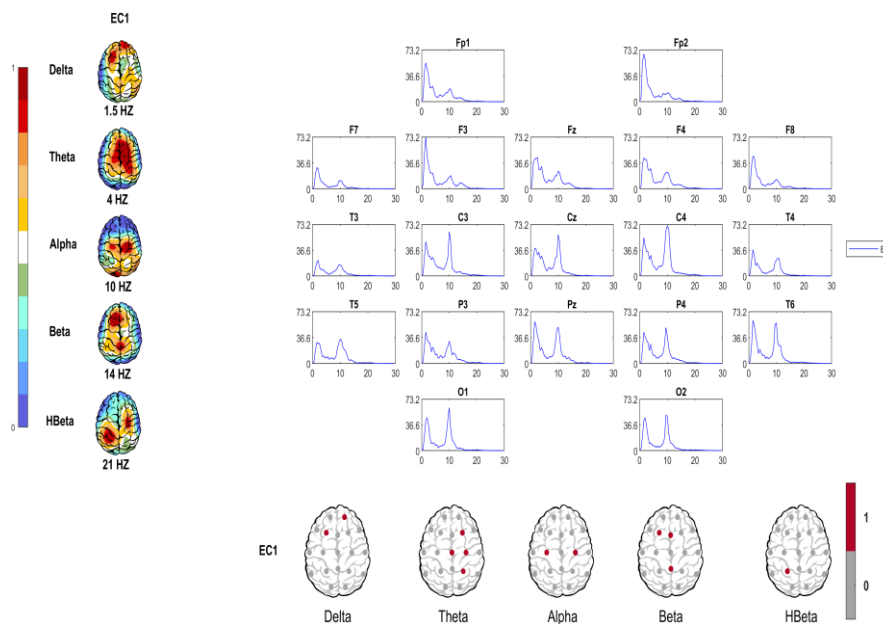

## E.C.T/B Ratio ( Raw- Z Score)

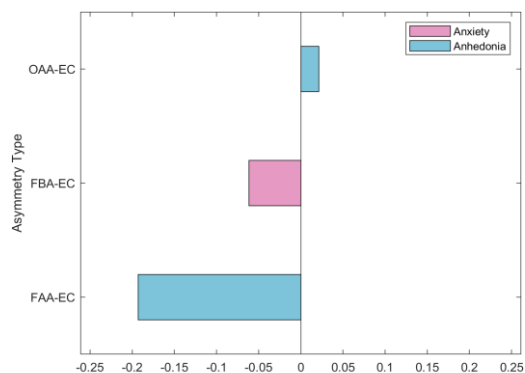

## Arousal Level

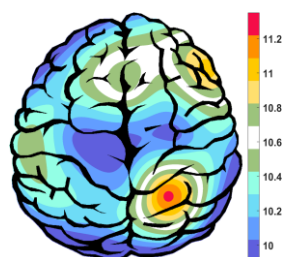

## EEG Spectra

## Alpha Asymmetry(AA)

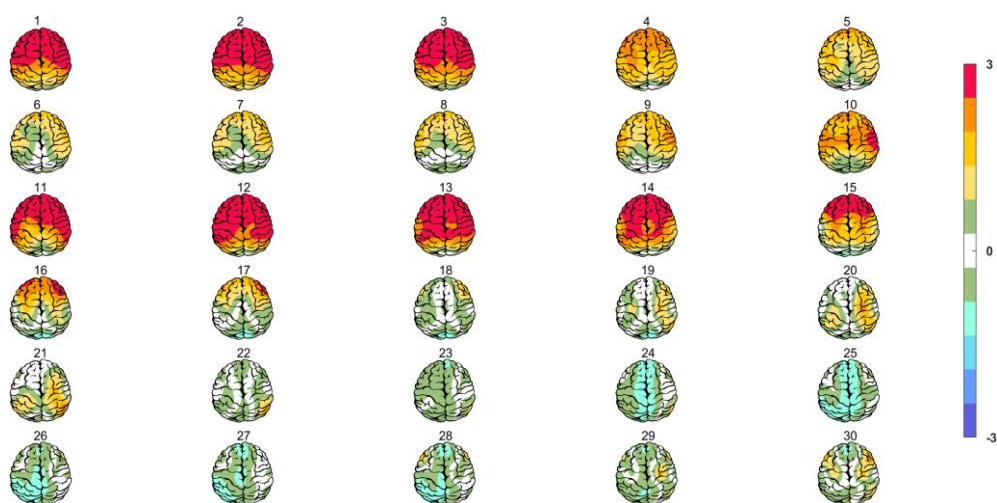

## APF(EC)

Frontal APF= 10.17

Posterior APF= 10.12

## Absolute Power-Eye Closed (EC)

## Relative Power-Eye Closed (EC)
