

## QEEG Clinical Report

BrainLens V0.4

### Report Description

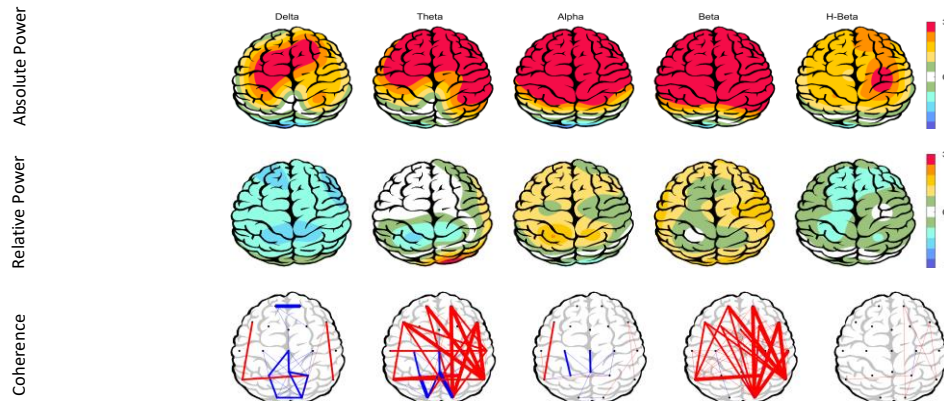

### Personal & Clinical Data

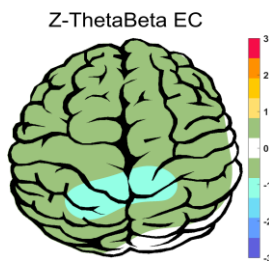

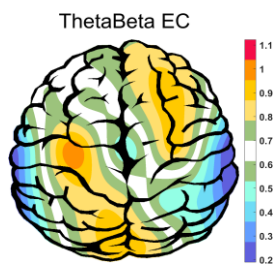

|                     |                   |                    |            |
|---------------------|-------------------|--------------------|------------|
| Name                | Sadegh Shokri     | Date of Recording  | 2025-07-12 |
| Date of Birth - Age | 1996-03-15 - 29.4 | Gender             | Male       |
| Handedness(R/L)     | Left              | Source of Referral | Dr Ghasemi |
| Initial Diagnosis   | Depression        |                    |            |
| Current Medication  | -                 |                    |            |

Dr Ghasemi

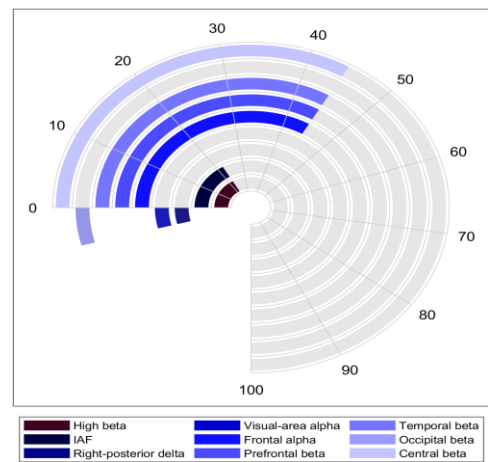

## Z Score Summary Information (EC)

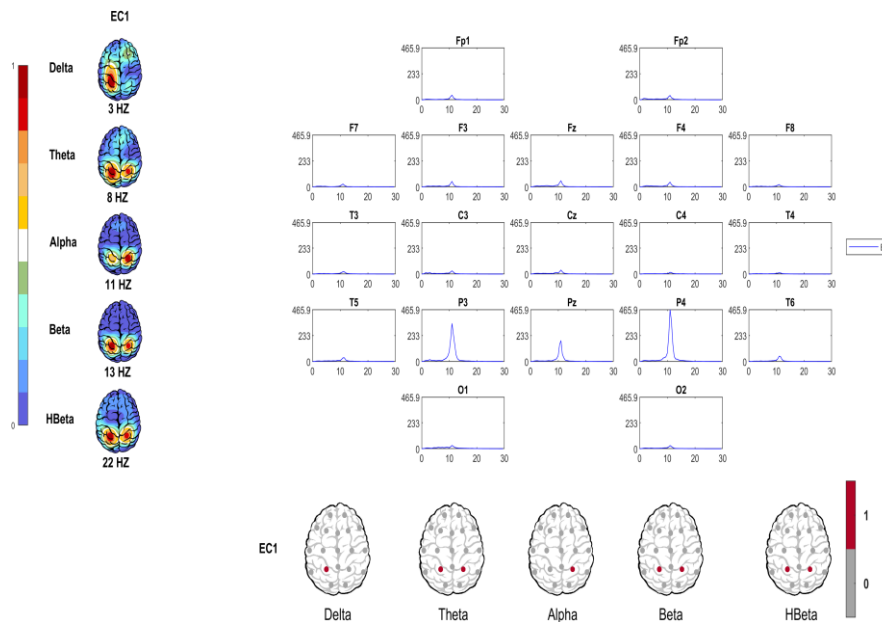

## E.C.T/B Ratio ( Raw- Z Score)

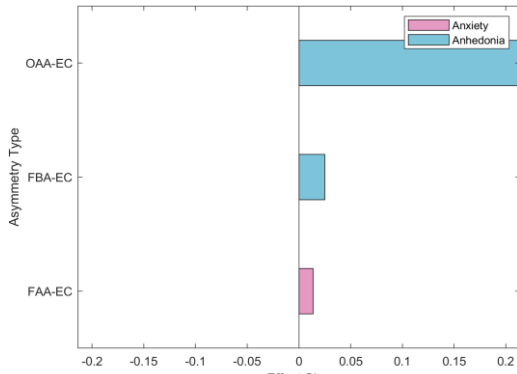

## Arousal Level

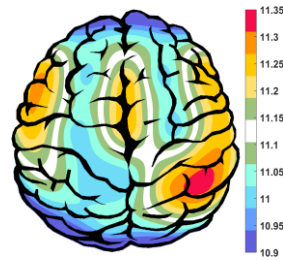

## EEG Spectra

## Alpha Asymmetry(AA)

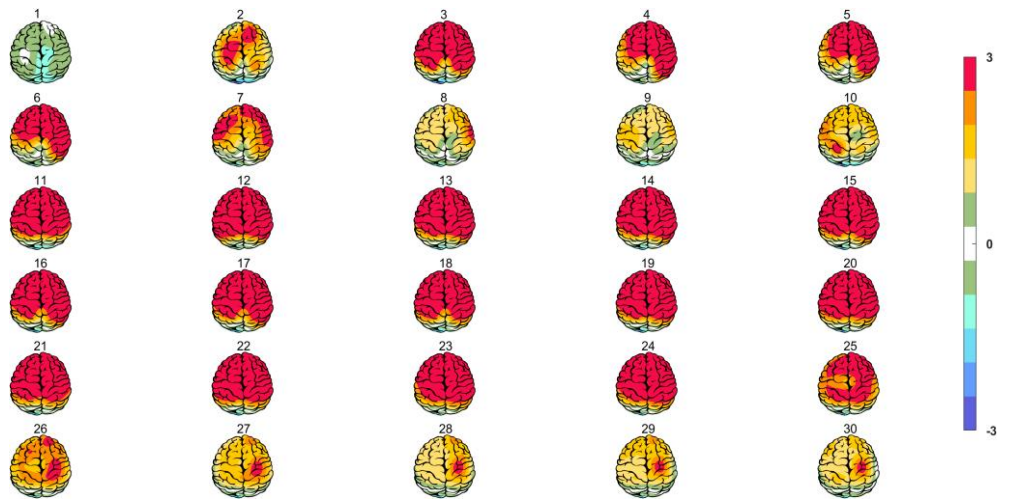

## APF(EC)

Frontal APF= 11.00

Posterior APF= 11.12

## Absolute Power-Eye Closed (EC)

## Relative Power-Eye Closed (EC)
