

## QEEG Clinical Report

BrainLens V0.4

### Report Description

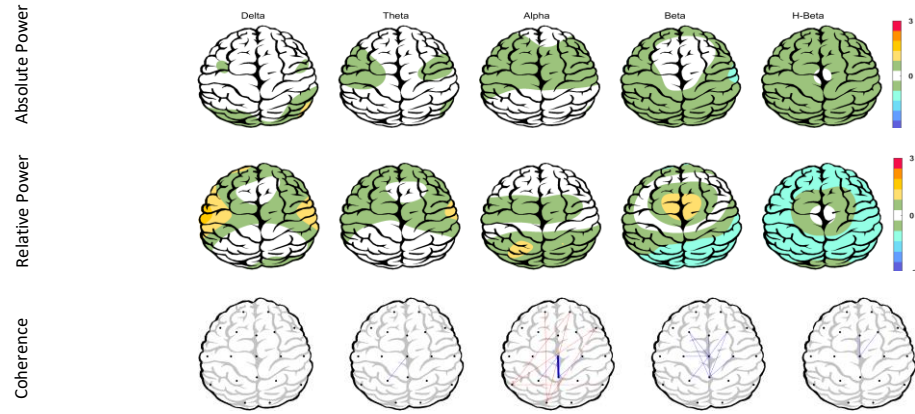

### Personal & Clinical Data

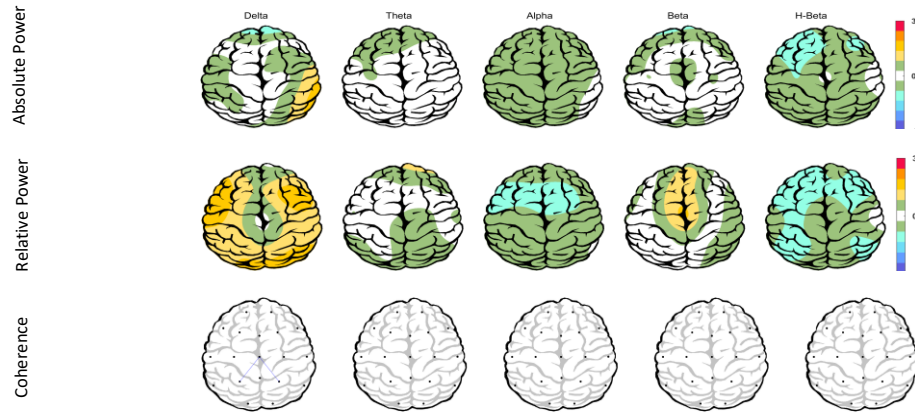

|                     |                |                    |            |
|---------------------|----------------|--------------------|------------|
| Name                | Soroush Avizeh | Date of Recording  | 2025-08-18 |
| Date of Birth - Age | 1991-10-12 - " | Gender             | Male       |
| Handedness(R/L)     | Right          | Source of Referral | Dr Rahimi  |
| Initial Diagnosis   | -              |                    |            |
| Current Medication  | -              |                    |            |

Dr Rahimi

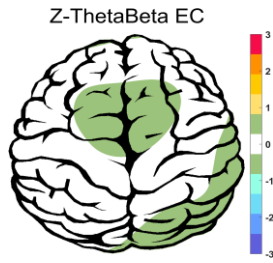

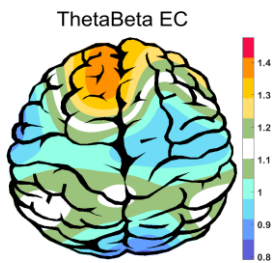

## Z Score Summary Information (EC)

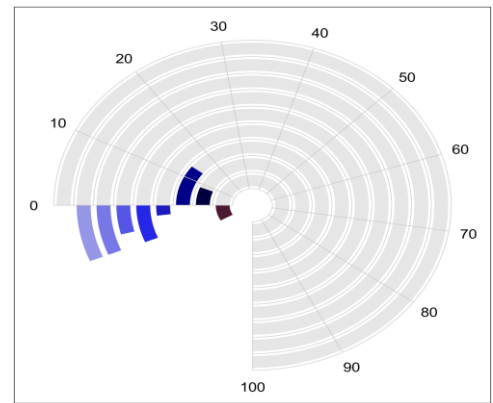

## Z Score Summary Information (EO)

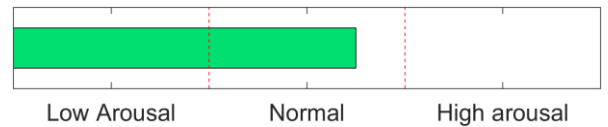

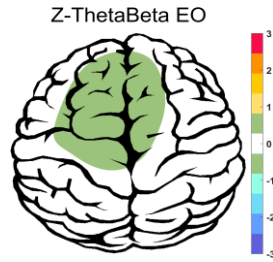

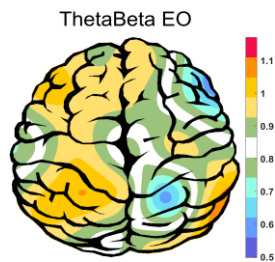

## E.C.T/B Ratio ( Raw- Z Score)

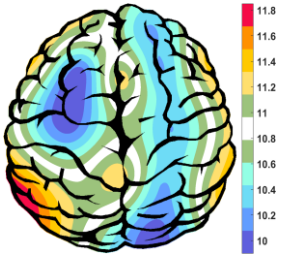

## Arousal Level

## E.O.T/B Ratio ( Raw- Z Score)

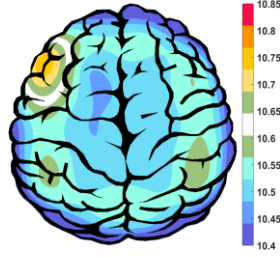

## APF(EO)

Frontal APF= 10.17

Posterior APF= 11.00

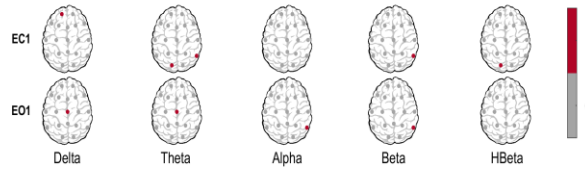

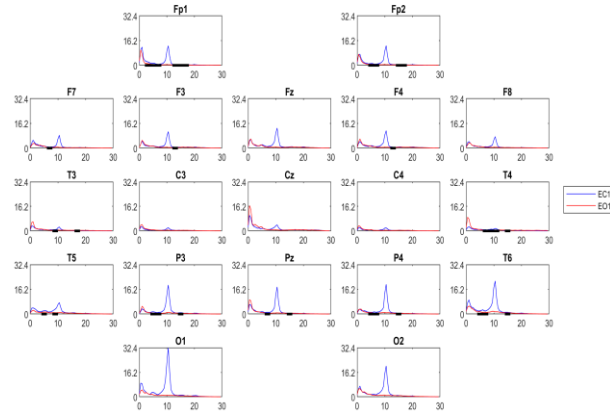

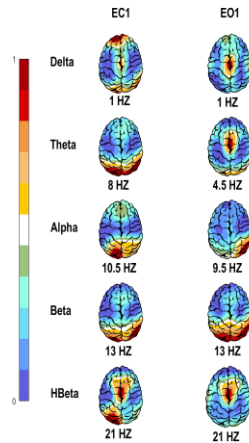

## APF(EC)

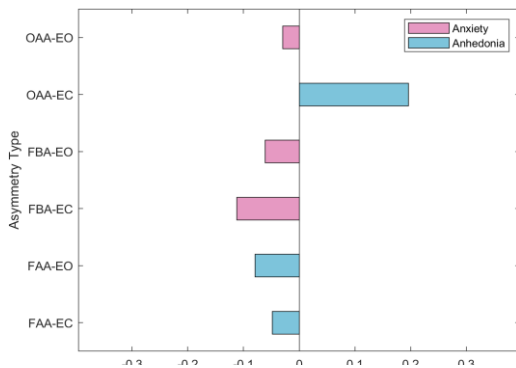

Frontal APF= 10.50

Posterior APF= 10.50

## EEG Spectra

## Alpha Asymmetry(AA)

## Alpha Blocking
