

## QEEG Clinical Report

BrainLens V0.4

### Report Description

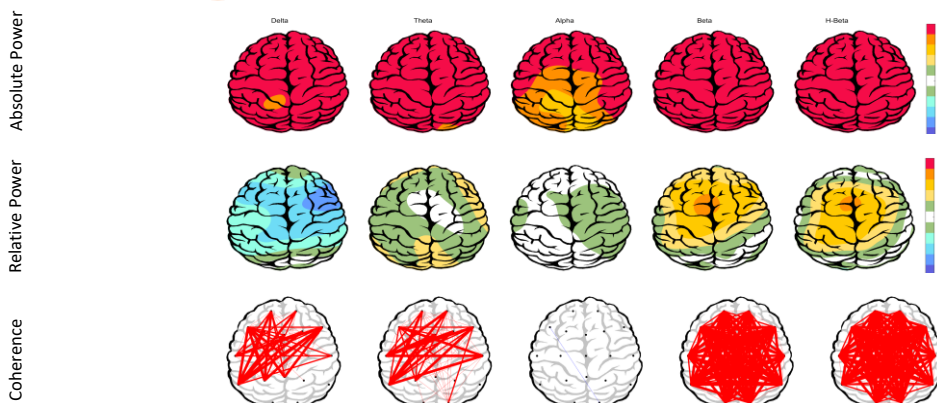

### Personal & Clinical Data

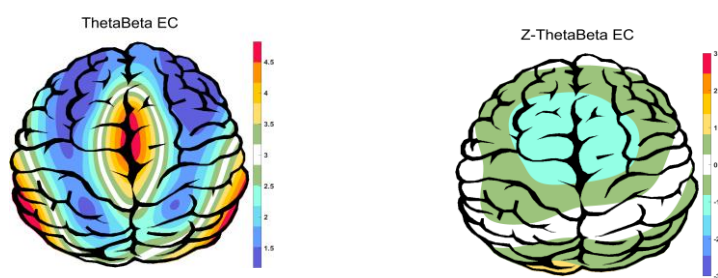

|                     |                    |                    |              |
|---------------------|--------------------|--------------------|--------------|
| Name                | Koroshkhosh11mr    | Date of Recording  | 2025-08-27   |
| Date of Birth - Age | 2014-07-23 - 11.09 | Gender             | Male         |
| Handedness(R/L)     | Right              | Source of Referral | Navid Karami |
| Initial Diagnosis   | ADHD               |                    |              |
| Current Medication  | -                  |                    |              |

Navid Karami

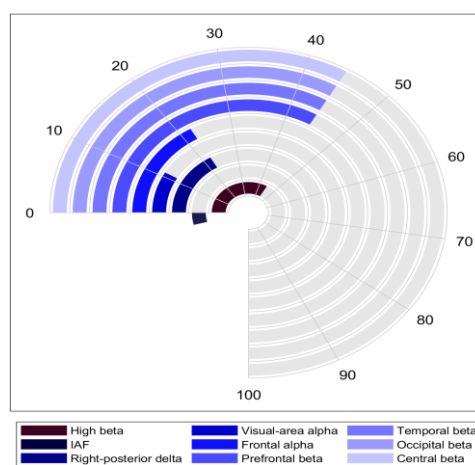

## Z Score Summary Information (EC)

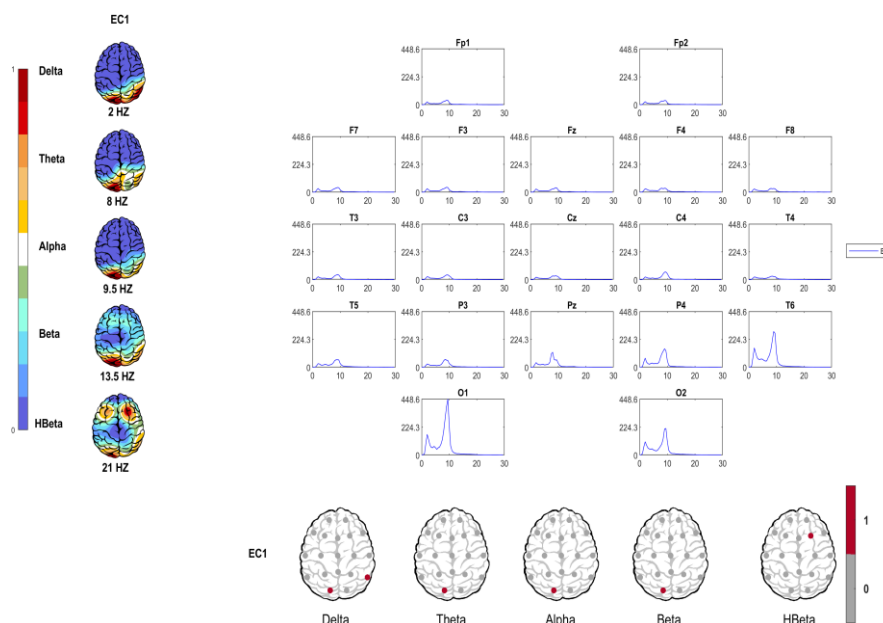

## E.C.T/B Ratio ( Raw- Z Score)

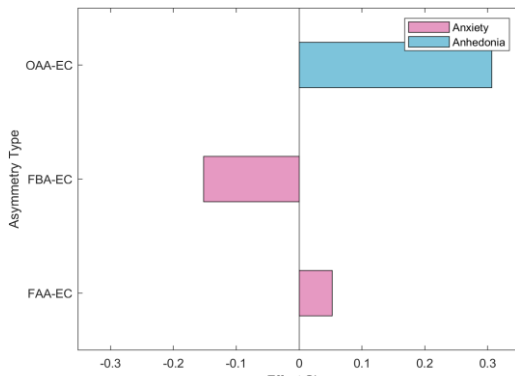

## Arousal Level

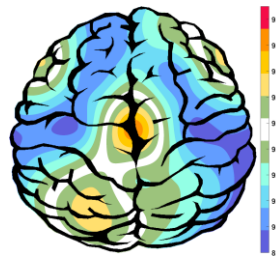

## EEG Spectra

## Alpha Asymmetry(AA)

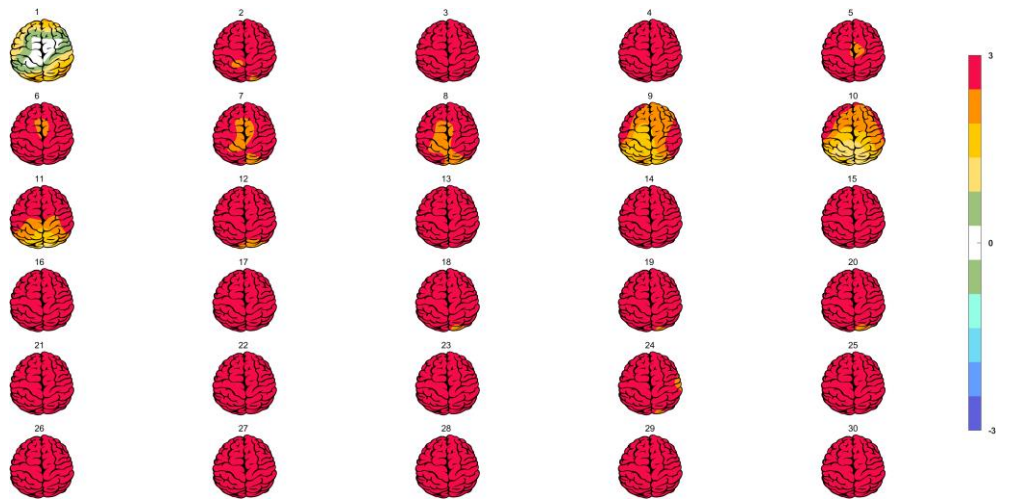

## APF(EC)

Frontal APF= 09.00

Posterior APF= 09.50

## Absolute Power-Eye Closed (EC)

## Relative Power-Eye Closed (EC)
