

## QEEG Clinical Report

BrainLens V0.4

### Report Description

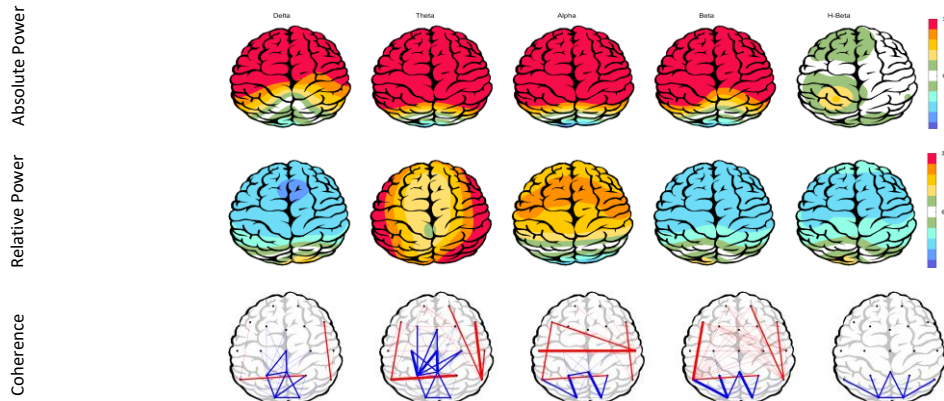

### Personal & Clinical Data

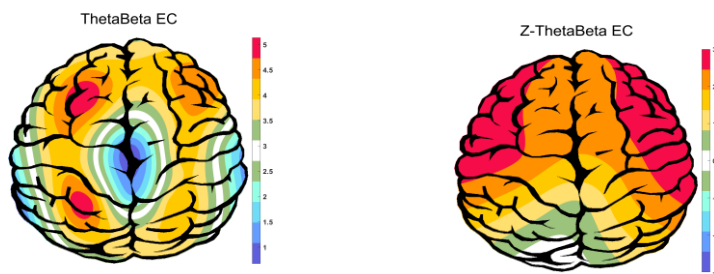

|                     |                       |                    |            |
|---------------------|-----------------------|--------------------|------------|
| Name                | Hosein Amin O Alroaya | Date of Recording  | 2025-09-04 |
| Date of Birth - Age | 1993-11-03 - 32.1     | Gender             | Male       |
| Handedness(R/L)     | Right                 | Source of Referral | Dr Ghasemi |
| Initial Diagnosis   | OCD                   |                    |            |
| Current Medication  | -                     |                    |            |

Dr Ghasemi

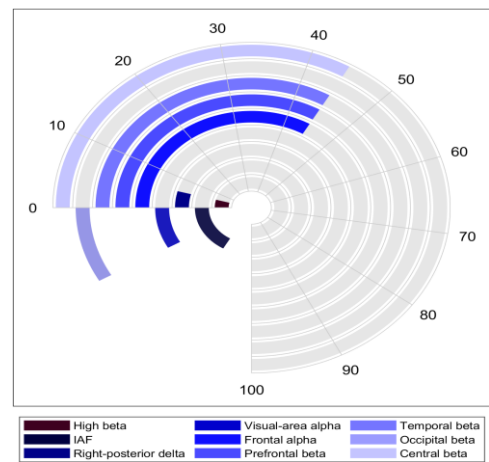

## Z Score Summary Information (EC)

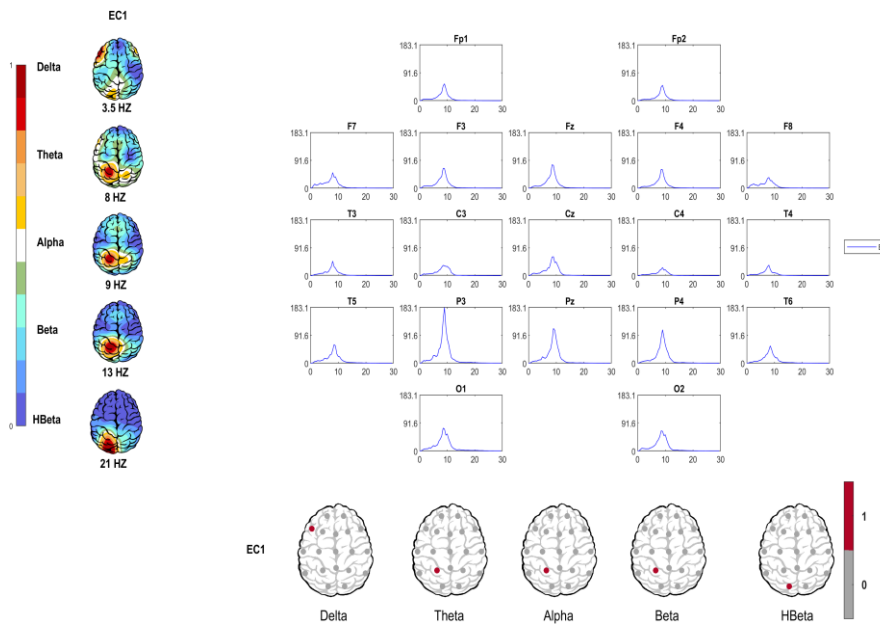

## E.C.T/B Ratio ( Raw- Z Score)

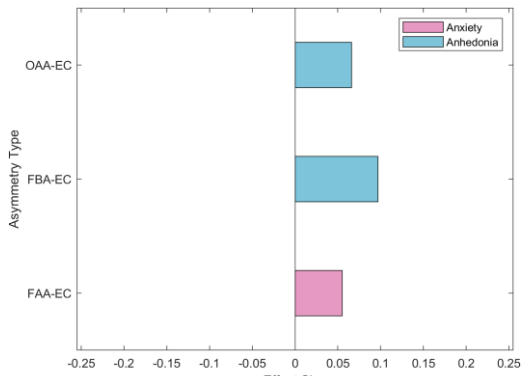

## Arousal Level

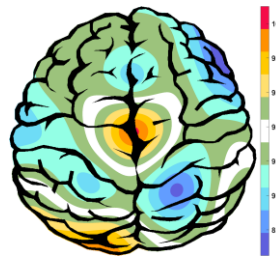

## EEG Spectra

## Alpha Asymmetry(AA)

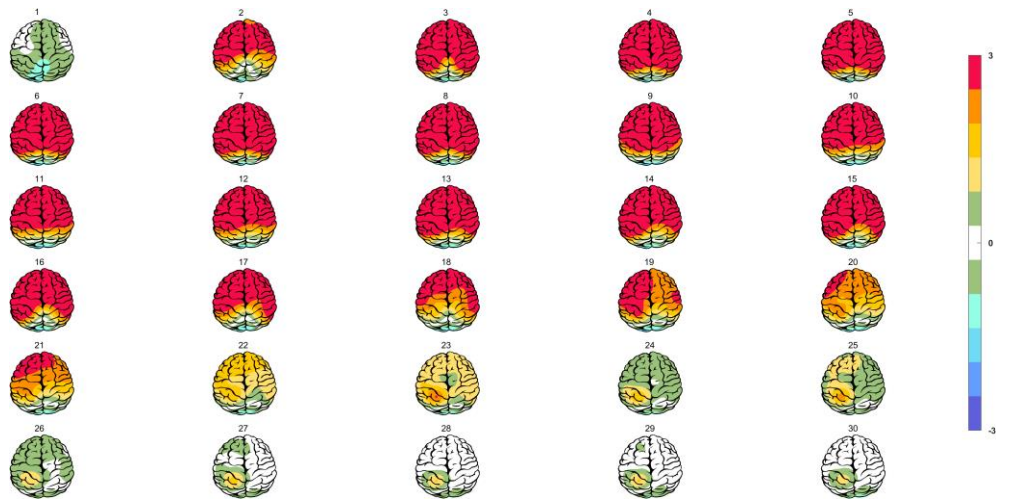

## APF(EC)

Frontal APF= 09.25

Posterior APF= 09.62

## Absolute Power-Eye Closed (EC)

## Relative Power-Eye Closed (EC)
