

## QEEG Clinical Report

BrainLens V0.4

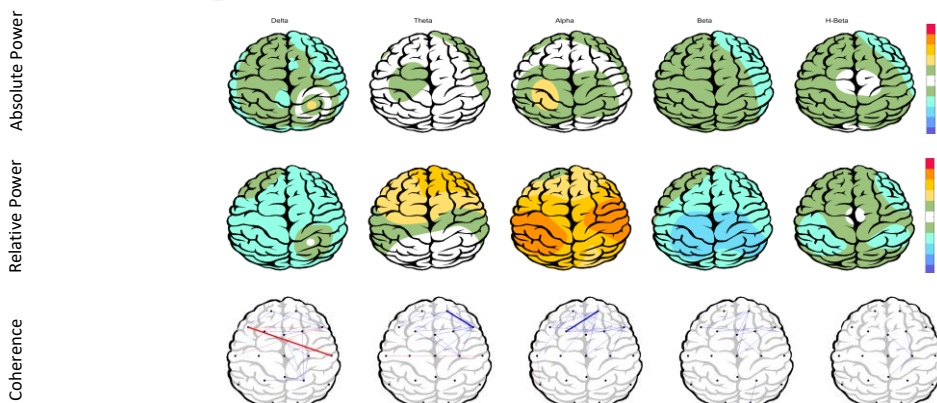

### Report Description

### Personal & Clinical Data

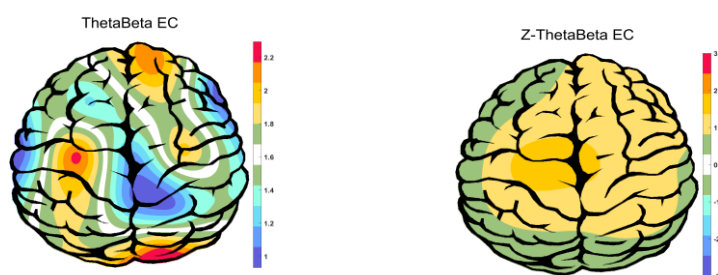

|                     |                   |                    |             |
|---------------------|-------------------|--------------------|-------------|
| Name                | Ahmad Khastevane  | Date of Recording  | 2025-09-20  |
| Date of Birth - Age | 1964-07-11 - 61.3 | Gender             | Male        |
| Handedness(R/L)     | Right             | Source of Referral | Dr Sahraian |
| Initial Diagnosis   | MDD               |                    |             |
| Current Medication  | -                 |                    |             |

Dr Sahraian

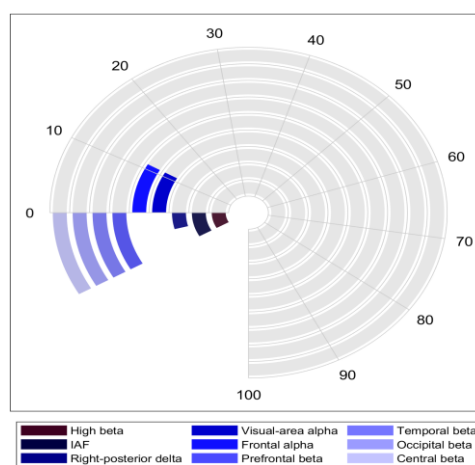

## Z Score Summary Information (EC)

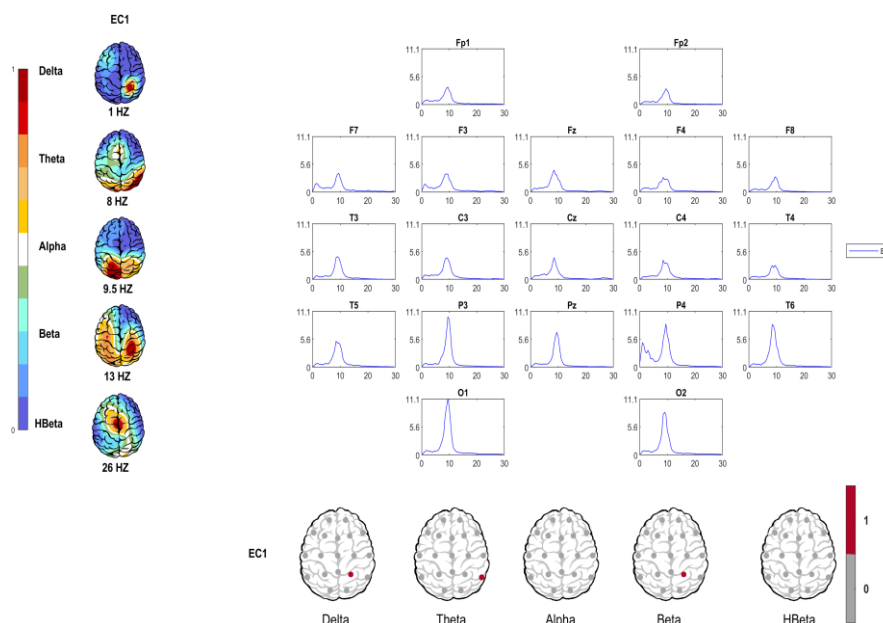

## E.C.T/B Ratio ( Raw- Z Score)

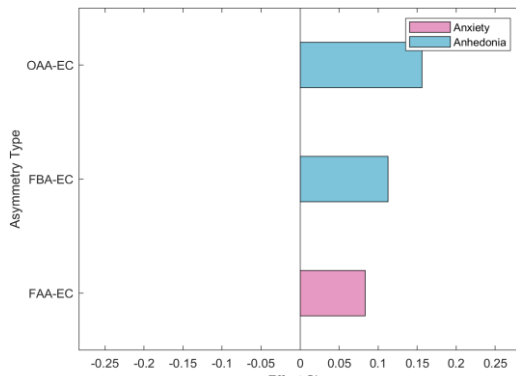

## Arousal Level

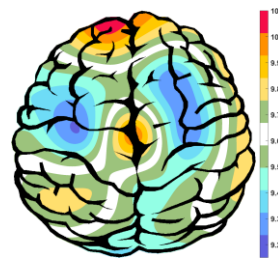

## EEG Spectra

## Alpha Asymmetry(AA)

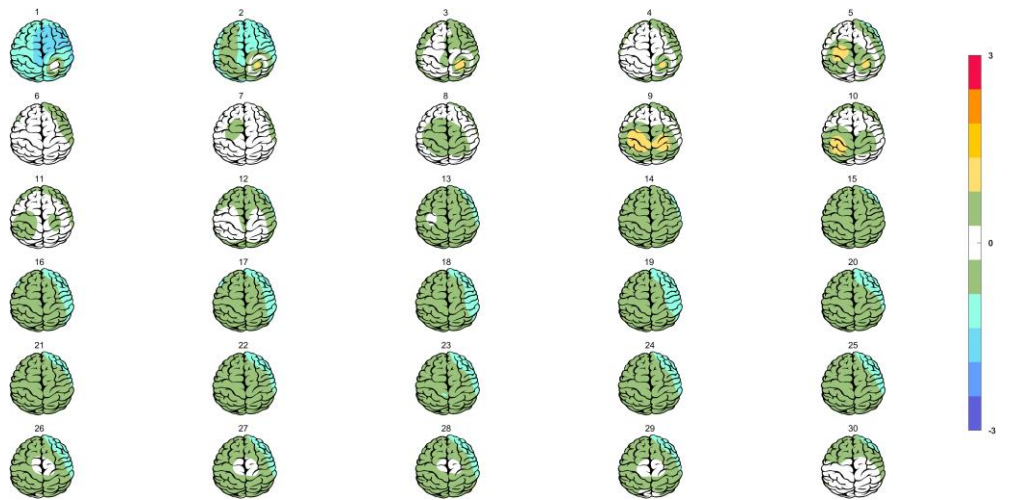

## APF(EC)

Frontal APF= 09.25

Posterior APF= 09.75

## Absolute Power-Eye Closed (EC)

## Relative Power-Eye Closed (EC)
