

## QEEG Clinical Report

BrainLens V0.4

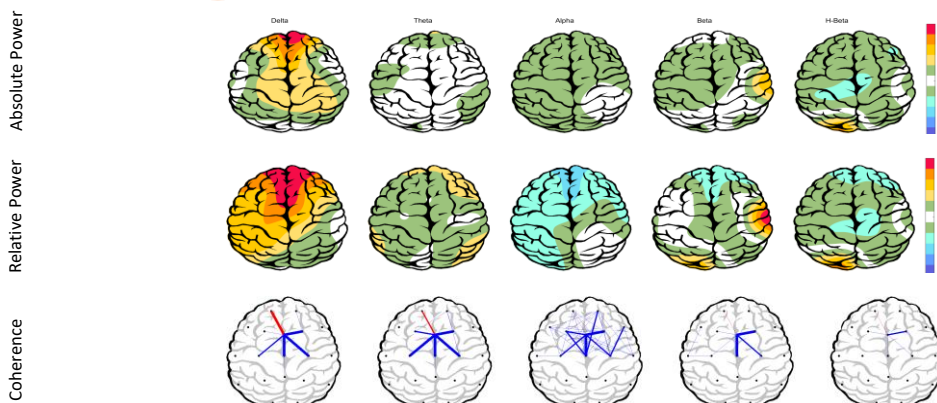

### Report Description

### Personal & Clinical Data

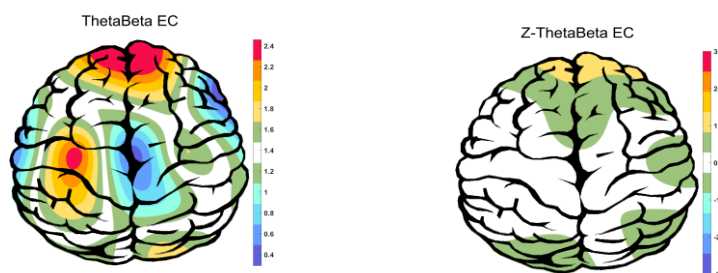

|                     |                         |                    |            |
|---------------------|-------------------------|--------------------|------------|
| Name                | Amir Ali Seyed Hosseini | Date of Recording  | 2025-09-21 |
| Date of Birth - Age | 2007-04-03 - 18.6       | Gender             | Male       |
| Handedness(R/L)     | Right                   | Source of Referral | Dr Darabi  |
| Initial Diagnosis   | -                       |                    |            |
| Current Medication  | -                       |                    |            |

Dr Darabi

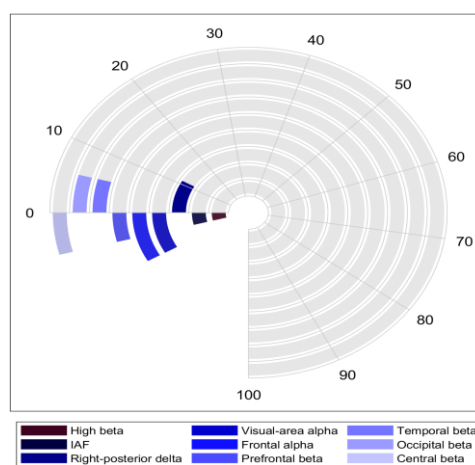

## Z Score Summary Information (EC)

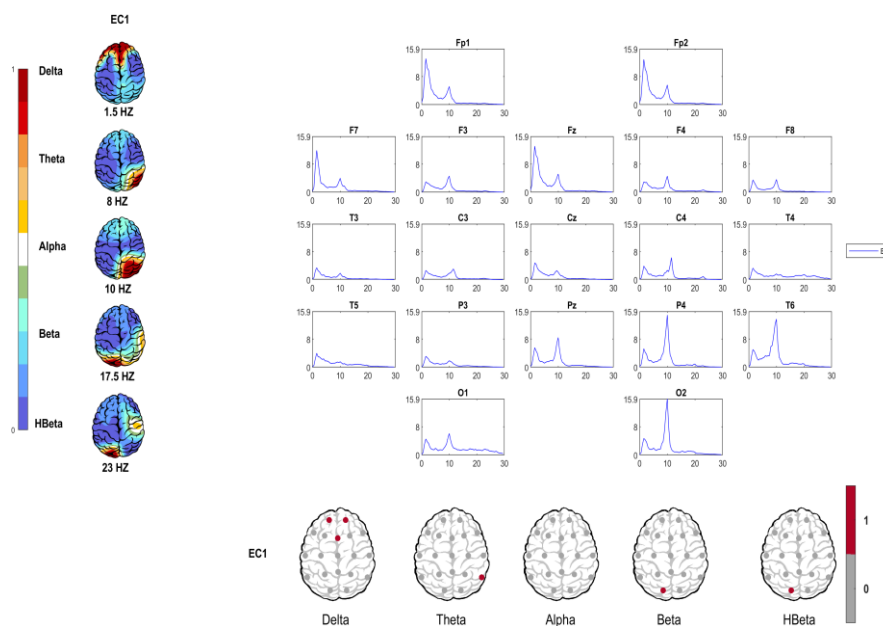

## E.C.T/B Ratio ( Raw- Z Score)

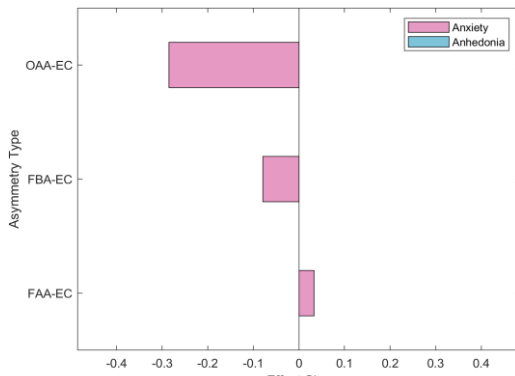

## Arousal Level

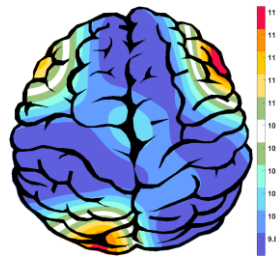

## EEG Spectra

## Alpha Asymmetry(AA)

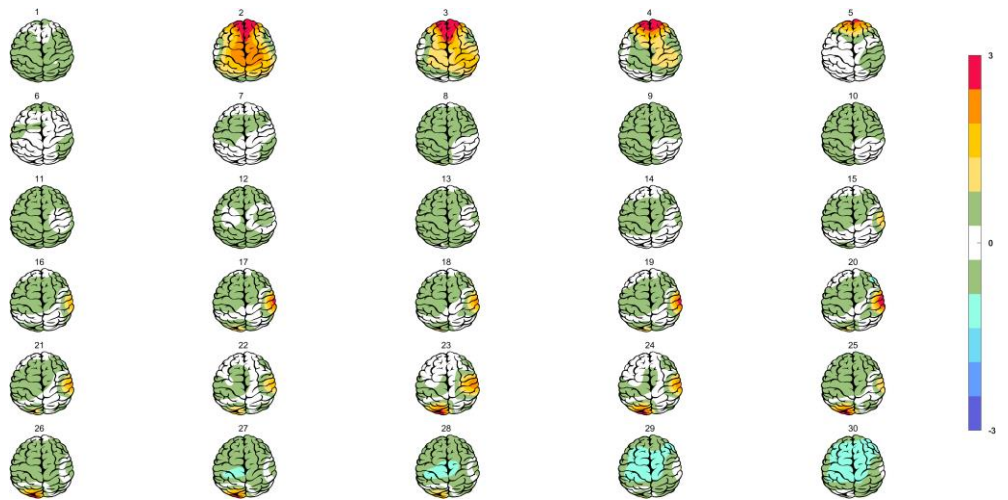

## APF(EC)

Frontal APF= 09.75

Posterior APF= 10.00

## Absolute Power-Eye Closed (EC)

## Relative Power-Eye Closed (EC)
