

## QEEG Clinical Report

BrainLens V0.4

### Report Description

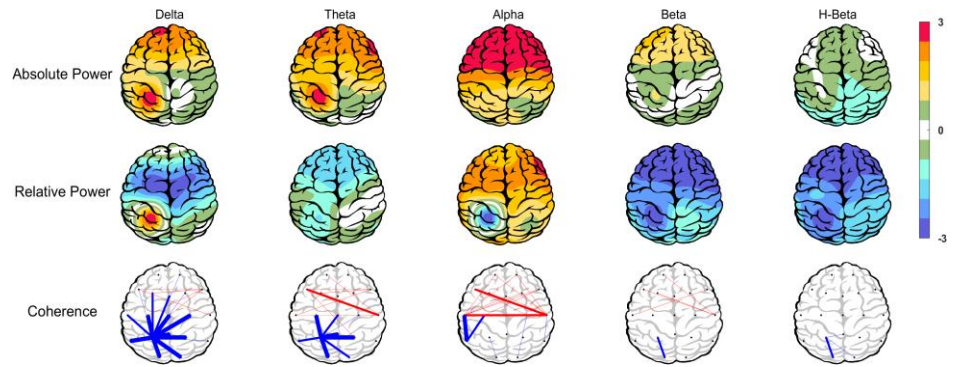

### Personal & Clinical Data

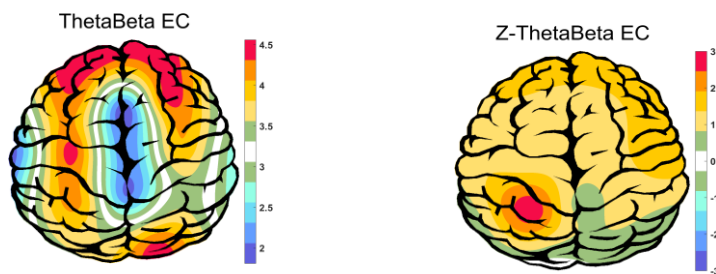

|                     |                     |                    |                   |
|---------------------|---------------------|--------------------|-------------------|
| Name                | Ali Reza Pilghosh   | Date of Recording  | 06-Nov-2024       |
| Date of Birth - Age | 17-Oct-2006 - 18.05 | Gender             | Male              |
| Handedness(R/L)     | Right               | Source of Referral | Dr Mohammadhasani |
| Initial Diagnosis   | Anxiety-Headache    |                    |                   |
| Current Medication  | -                   |                    |                   |

Dr Mohammadhasani

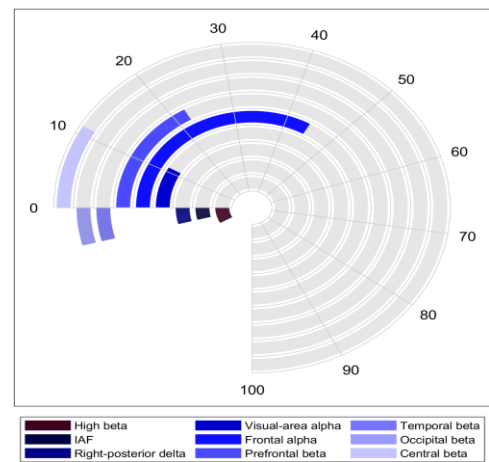

## Z Score Summary Information (EC)

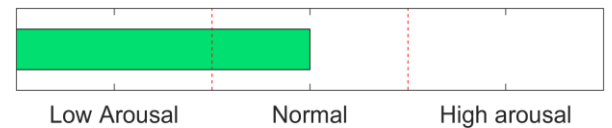

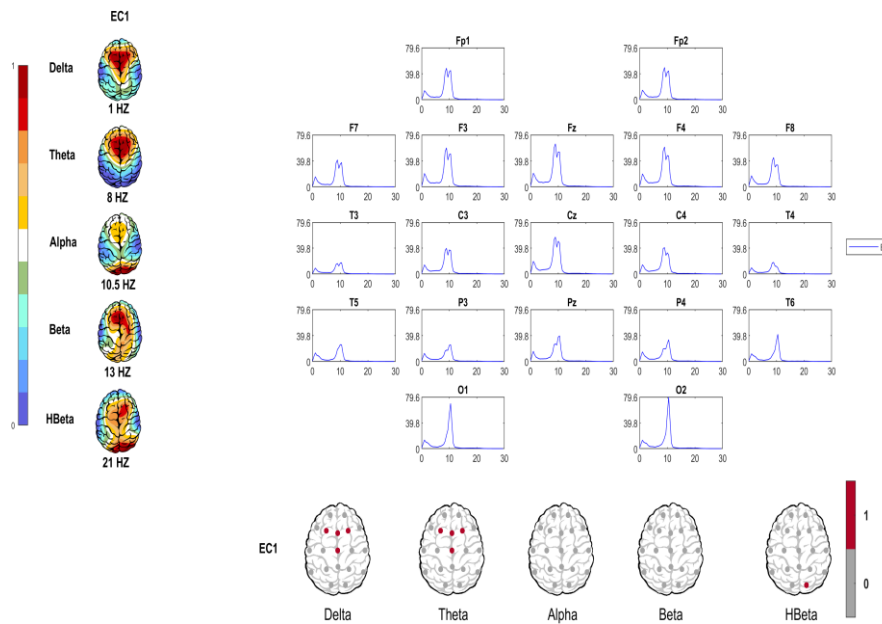

## E.C.T/B Ratio ( Raw- Z Score)

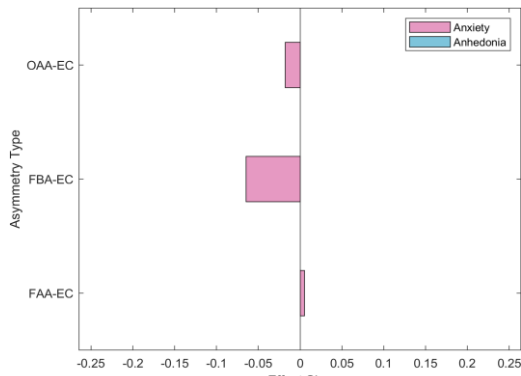

## Arousal Level

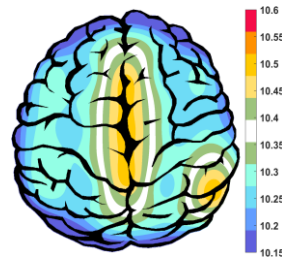

## EEG Spectra

## Alpha Asymmetry(AA)

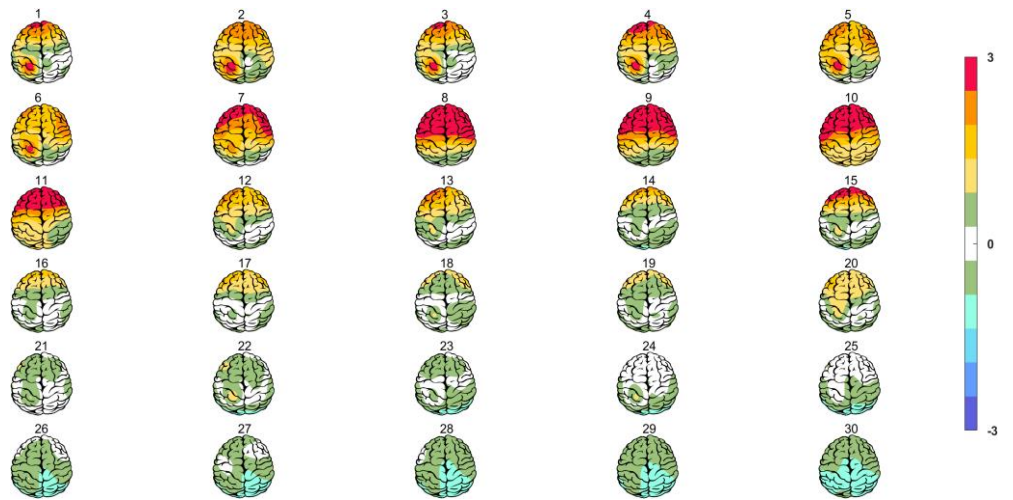

## APF(EC)

Frontal APF= 10.25

Posterior APF= 10.50

## Absolute Power-Eye Closed (EC)

## Relative Power-Eye Closed (EC)
