

## QEEG Clinical Report

BrainLens V0.4

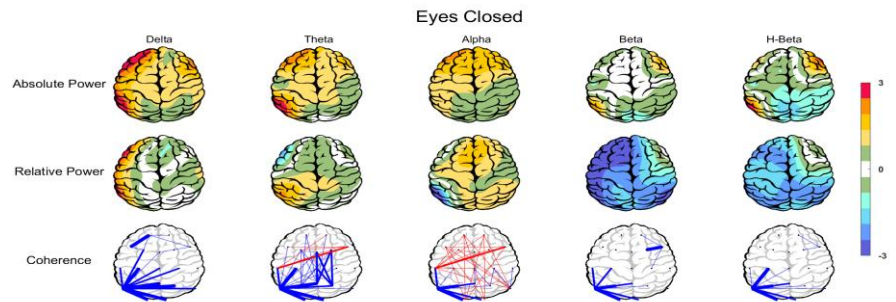

## Report Description

## Personal & Clinical Data

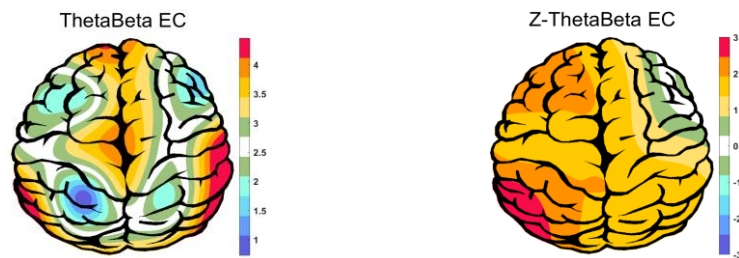

|                     |                          |                    |                   |
|---------------------|--------------------------|--------------------|-------------------|
| Name                | Nosratolah Galehdarzadeh | Date of Recording  | 08-Sep-2024       |
| Date of Birth - Age | 07-Nov-1957 - 66.84      | Gender             | Male              |
| Handedness(R/L)     | Right                    | Source of Referral | Dr Mohammadhasani |
| Initial Diagnosis   | GAD-Insomnia             |                    |                   |
| Current Medication  | Medication Free          |                    |                   |

Dr Mohammadhasani

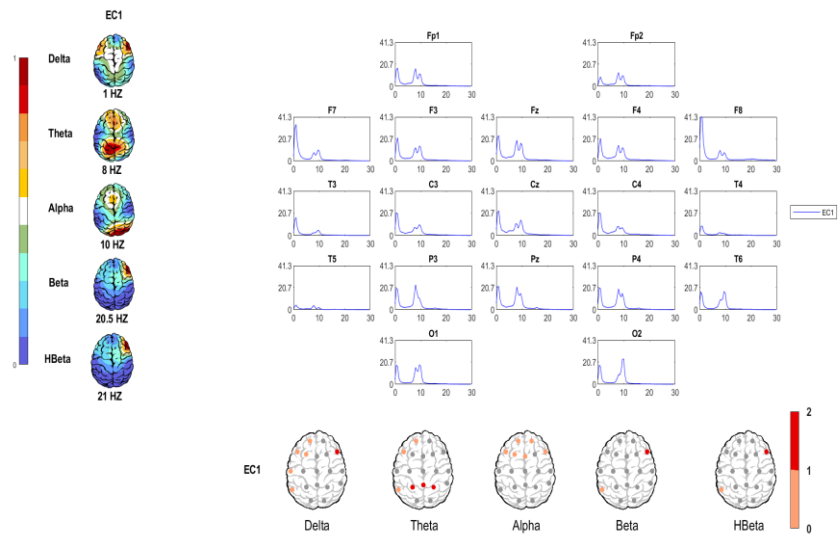

## Z Score Summary Information (EC)

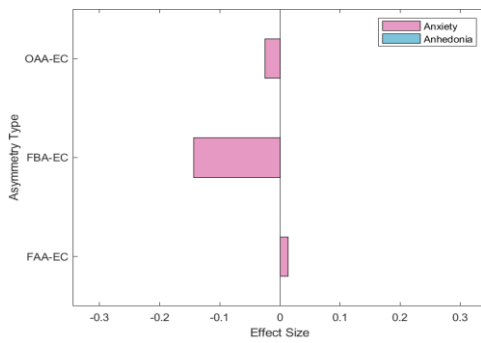

## E.C.T/B Ratio ( Raw- Z Score)

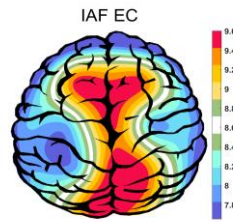

## EEG Spectra

## Alpha Asymmetry(AA)

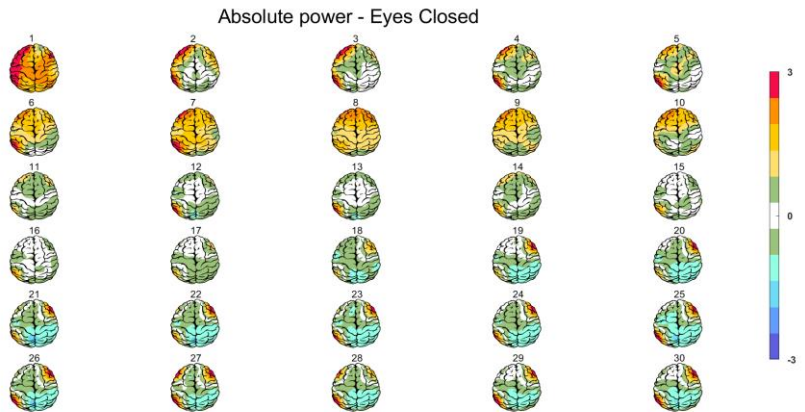

## APF(EC)

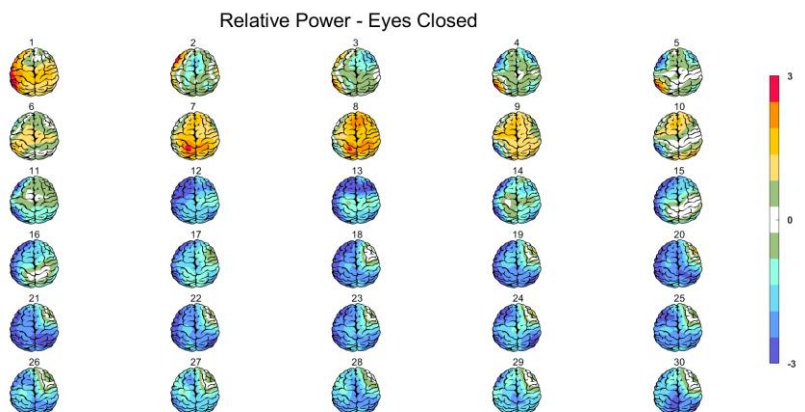

Frontal APF= 08.50

Posterior APF= 09.50

## Absolute Power-Eye Closed (EC)

## Relative Power-Eye Closed (EC)

Nosratolah Galehdarzadeh\Dr Mohammadhasani
