

## QEEG Clinical Report

BrainLens V0.4

### Report Description

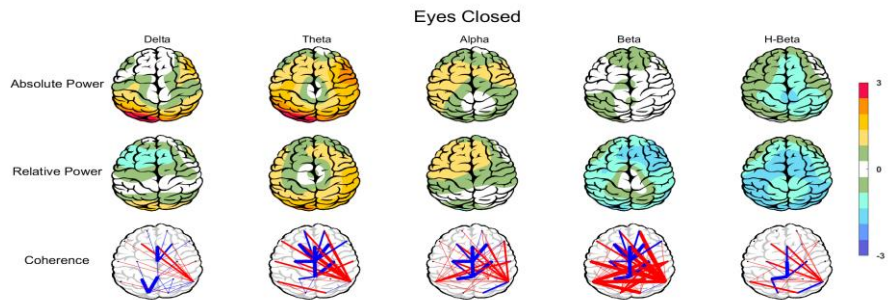

### Personal & Clinical Data

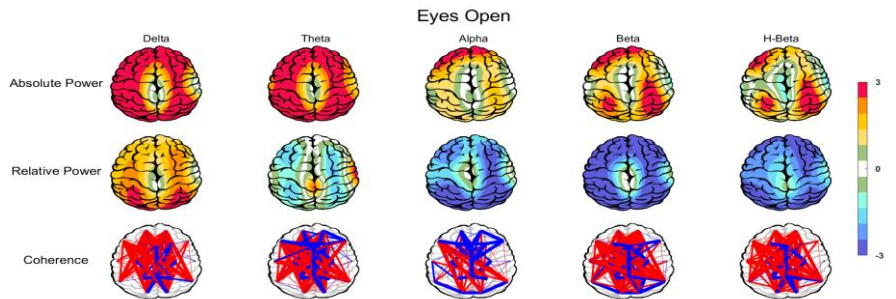

|                     |                                                                                                                   |                    |             |
|---------------------|-------------------------------------------------------------------------------------------------------------------|--------------------|-------------|
| Name                | Setayesh Razaghi                                                                                                  | Date of Recording  | 07-Aug-2024 |
| Date of Birth - Age | 01-Nov-2002 - 21.79                                                                                               | Gender             | Female      |
| Handedness(R/L)     | Right                                                                                                             | Source of Referral | Dr Saemi    |
| Initial Diagnosis   | TSD-general unnest- Adult ADHD- Overthinking-High arousal- low mood-Anxiety-Low concentration -Daytime sleepiness |                    |             |
| Current Medication  | Medication Free                                                                                                   |                    |             |

Dr Saemi

## Z Score Summary Information (EC)

## Z Score Summary Information (EO)

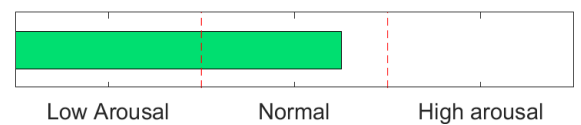

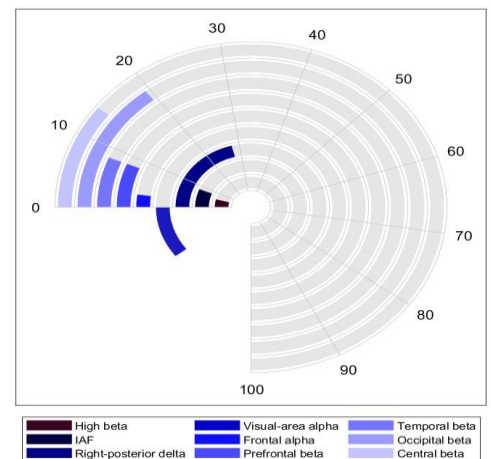

## E.C.T/B Ratio ( Raw- Z Score)

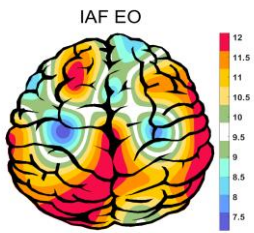

## E.O.T/B Ratio ( Raw- Z Score)

## Arousal Level

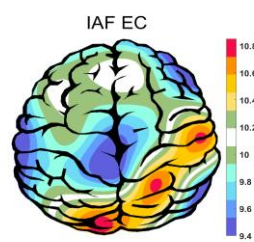

## APF(EO)

Frontal APF= 08.75

Posterior APF= 12.00

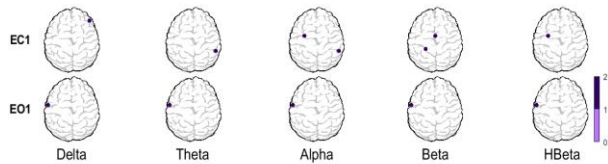

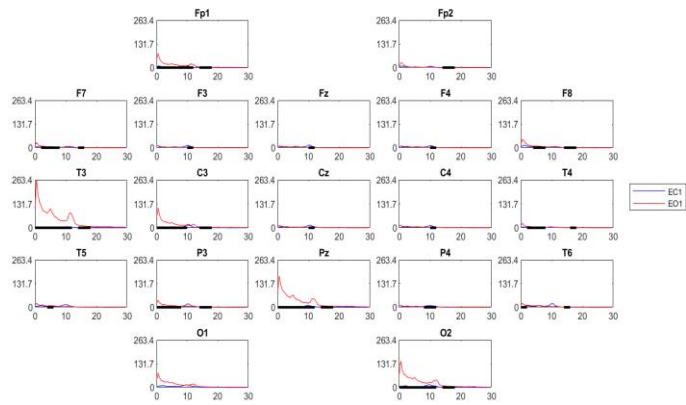

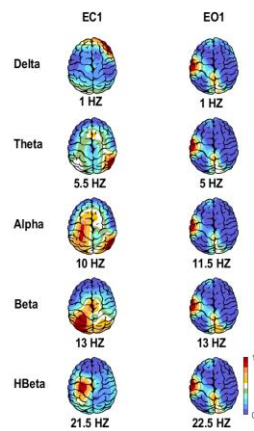

## APF(EC)

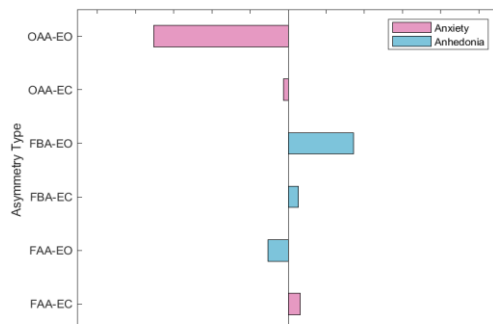

Frontal APF= 10.00

Posterior APF= 09.50

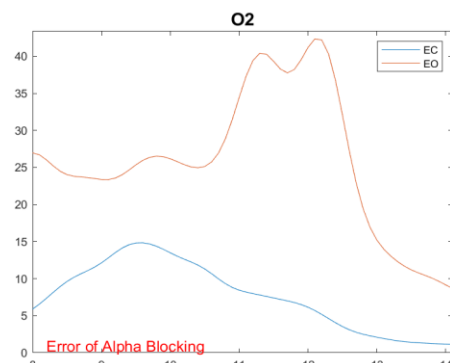

## EEG Spectra

## Alpha Asymmetry(AA)

## Alpha Blocking
